

GP's Wanted

2 Positions Available

We have both 'Area of Need and District of Workplace' shortage status. It is a well established Bulk Billing Medical Centre located in a very central and busy location near Penrith.

The centre has a very well established patients list with a wide ranging demographic from different backgrounds. The centre is accredited and a privately owned bulk billing medical centre and not corporately run. The centre has a nurse on duty and includes facilities of a Chemist, Optometrist, Dental Surgery, Physiotherapist, Psychologist and a Dietician all at the one address.

We are looking for a GP with the following attributes:

- High standards of medicine
- High standard of patient care
- Someone that prides themselves with good customer service
- Good work ethic
- A team player
